

COPENHAGEN - IBTM POST EVENT TOUR

21-24 NOVEMBER 2019

In Copenhagen, everything is closer

Copenhagen Convention Bureau and partners invite you to Copenhagen for three nights to come closer and explore the city and its many must-do's with us, the locals.

As Copenhageners we love the wonderful Christmas time, which is the time where "hygge" (the Danish word for coziness) really comes to its right. We light candles, enjoy sweet treats and relax while spending quality time with each other.

Throughout this trip, you will not only get to know hotels, venues and activities suitable for a meeting, incentive or event. You will also get to know the local Danes and explore the hidden gems of this fairytalelike city. Look forward to welcoming you to Wonderful Copenhagen.

ENTICING GASTRONOMY

Copenhagen is home to the new Nordic Cuisine and has earned quite a reputation as a culinary hotspot. In the last few years a wide array of inventive, modern and stylish new restaurants has opened.
