

Badges and registration

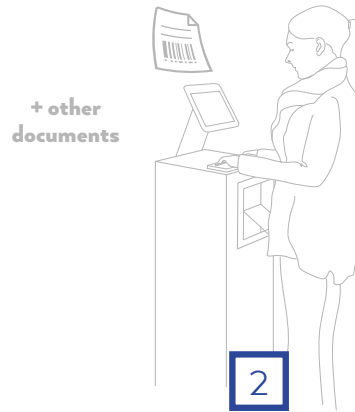

Avoid stress by using our self-registration & badge printing service

Self-printing

Badge printing in a few seconds;

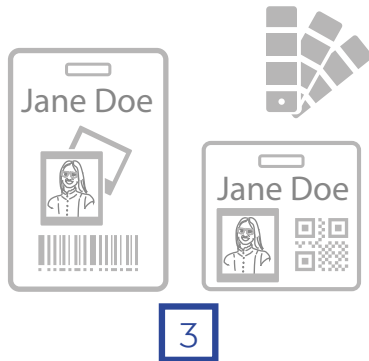

Easy scan & print : your pre-registered participants present their confirmation (bar code) and print their badge themselves

Self-Registration

Your participants can register, modify their pre-registration and pay by credit card.

Print their badge, receipt, confirmation, voucher, attendance certificate... themselves

Customized badges

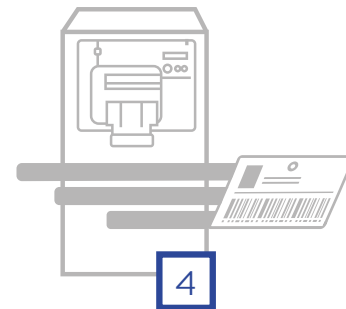

No plastic holder,

no badges templates needed anymore...

Delegate badge customized (category, colour code...)

All badges, vouchers, certificates,

invoices or receipts are printed on the same standard paper to make printing easy

Our self-registration system is perfectly adaptable to your registration process

Data exchange during your event

Configuration of registration fees and other services by respecting the specifications of your registration process (eg discounts, quotas, packages...)

The solution to long, boring queues
Save space : "all in one" desks
Security : no duplicates allowed in self-service
No wasted badges anymore (as only printed on arrival of delegate)
