BENEFITS

For Event Organisers:

- New revenue stream opportunity
- Provide great value to your attendees

For Event Attendees:

- Easy search with filters
- Browse attendee's profiles and find the best time to meet
- Add notes on meetings, import them to your calendar and print your event agenda

FEATURES

Personalisation options allowed by the system:

- Set the basic configuration (name, description, logo, date, venue)
- Set max & min meetings per attendee
- Sync with event agenda
- Assign time slots and meeting spaces
- Reserve meeting spaces
- Set registration process
- Set different user types
- Set day access restrictions (linked to a ticket if needed)
- Activate / deactivate and edit automatic e-mails
- Set branding colours
- Public and private access

Advanced features:

- Attendees can import meetings to their own calendar
- Attendees can download their personalised agenda
- Add / upload and download attendee profiles
- Personalised filters
- Control automatic notifications (new meeting requests,...)
- Branded solution
- Multi-language
- Reports per slot, table and slot & table to manage the meetings on-site
- Flexible solution:
 - Meetings arranged by event organiser
 - Prioritise access for event attendees by type
 - Open to all networking to arrange their own meetings

TESTIMONIALS

informa

*“The 1-2-1 was really good, **everybody liked it, super easy to use**, the main request most of the times was the login request, that’s about all”*

dmg :: events

“The EventsCase software was great for us because of it's flexibility, the team made lots of customisations to suit our needs and were really supportive throughout the whole process”

*“**Always on hand to answer any questions**”*

“Since working with EventsCase, they've shown again and again that not only do they have a great, innovative product, but that their customer service is second to none.

*They have always been incredibly helpful in providing us with **a solution that works to fit our business**, and wouldn't hesitate in recommending them to anyone”*
