*St. Petersburg, Moscow and beyond...*

Visit Russia and learn more about unique options that our beautiful destinations - St. Petersburg and Moscow, Siberia and Far East - may offer for your next event or incentive.

Founded in 1992 at the dawn of the new society, Escape Travel gained a reputation as a trustworthy, creative and professional Russian DMC. We have profound knowledge of our destinations and a rich portfolio of bright ideas to share with our clients to meet their goals and budgets. We guarantee our personal approach, attention to detail and cost effectiveness for any project - be it a small group or a large incentive.

Our main destination is St. Petersburg – one the great cities of Europe. The city, spread over more than 30 islands with more than 300 bridges, is full of the palaces of the tsars and the nobility. Options for gala events at unique locations are endless. Combinations with Moscow give additional Russian flavor to our programs. Feel inspired and impress your clients with a fantastic gala dinner on the Red Square! We mix it all up – culture and gastronomy, vodka and caviar, Revolution and night life to make your Escape to Russia an unforgettable experience.
